2. The first item of business was the draft SOP for the NOIWON. NSA requested some minor changes which, after discussion, were accepted by the group. The A/NIO/W will incorporate the language submitted by NSA and send the SOP to Walter Elder for final NFIB action.

3. [redacted] presented a plan whereby RMS would solicit advice from the WWG on I&W budgetary matters. His thoughts were received with enthusiasm, and the group agreed to serve in an advisory capacity. [redacted] was invited to sit as a member of the WWG or to provide a representative to attend meetings in his place.

4. Mr. Martin advised the group that the NFAC guidelines on forms of interagency intelligence production, recently distributed to NFIB principals, used an old, outdated description of Alert Memoranda. He requested that the NFAC guidelines be updated. The A/NIO/W agreed to take the matter for action.
